Sunday December 4, 2006

Today is a very special day in the life of Siesta Key Chapel as twelve of our young people stand before the congregation to profess their faith in Jesus as Lord and Savior and to become full-fledged members of the church.

Over the past three months this energetic group of "Confirmands" has prepared for their public declaration of faith in Jesus by:

- † studying the Scripture
- † participating in a Mission Trip
- † interacting with Sunday worship
- † learning key words and concepts of the Christian faith
- † practicing daily prayer and Bible reading
- † writing a personal *Statement of Faith*

On December 2nd they were examined, confirmed in their faith, and approved by the Session as full members of Siesta Key Chapel. God's grace is very real to each of these new members and they invite you to read through their *Statements of Faith* and join them in following Jesus.

It has been an honor and privilege to walk with the Confirmands through this important process. Many thanks to each parent for their steadfastness and encouragement to their children.

*Start children off on the way they should go,
and even when they are old they will not turn from it.*
Proverbs 22:6

*Love God, your God, with your whole heart:
love Him with all that's in you, love Him with all you've got!
Write God's commandments on your hearts.
Get them inside of you and then get them inside your children.
Talk about them wherever you are, sitting at home or walking in the street;
talk about them from the time you get up in the morning
to when you fall into bed at night.*
Deuteronomy 6:5-7

Grace and peace to you,

Pastor

Youth & Family Minister

Gabbie Amontree

I AM in the 7th grade and attend Pine View School.

MY FAVORITE BIBLE VERSE is Ephesians 4:29 "Do not let any unwholesome talk come out of your mouth, but only what is helpful for building others up according to their needs, that it may benefit those who listen."

MY ALL-TIME FAVORITE MEMORY is my going away party right before I moved to Maryland. The party was at Katie Phinney's house and all of my classmates were there, and they all came to say good-bye to me! The best part was they planned the party without me! They gave out the invitations when I was out running an errand for my teacher. Then when I got to Katie's house for a "play date" all of my friends jumped out from all of their hiding places it was so cool! No party could be any better!

IN MY RELATIONSHIP WITH GOD I most want to become more patient with him, people around me, and myself.

ONCE A MEMBER OF THE CHURCH, I HOPE TO MAKE A DIFFERENCE by helping the little kids when I am a member like Daphne she is so good with kids and I want to do that too!

THIS IS WHAT I BELIEVE, MY STATEMENT OF FAITH:

I believe God made the earth and me! He also knows everything about everybody. I think he also has the power to control how we live and what we do, but lets us try to take care of it ourselves. I also believe that Jesus was the son of God. He is "God with skin on". He died for our sins and rose from the dead all for us! I think the Holy Spirit is a form of God and it is the God within us.

To me the Bible is something I can refer to, like a history book, but more exciting. It is stories told and written down of what these people saw and heard about God.

Prayer is something I know I should do more often, but it is when you talk to God. I think it is very important because then you become closer to him.

The Church is a group of people that get together to worship God, whether it's on the street or in a building these people get together somehow. I also know it also gives the most money to charities. It is God's house.

In baptism, water is poured over your head and you show the world you're a Christian, or that your parents want to raise you as a Christian.

The Lord's Supper is when we drink the wine and break the bread in honor of Jesus.

I think Life after Death is when you get to go to heaven after you die. And that you have eternal life after that!

William Mackenzie Asselstine

I AM in the 6th grade and attend Pine View School.

MY FAVORITE BIBLE VERSE is James 4:4, "Anyone who wants to become a friend of the world is an enemy of God."

MY ALL-TIME FAVORITE MEMORY is when my sister and I would joke around and tell funny stories.

IN MY RELATIONSHIP WITH GOD I most want for us to be friends. I want the relationship to be cooperative, where one needs the other.

ONCE A MEMBER OF THE CHURCH, I HOPE TO MAKE A DIFFERENCE by being a part of something where I can grow and hope that worship can be more contemporary.

THIS IS WHAT I BELIEVE, MY STATEMENT OF FAITH:

I believe that God comes in three forms. I believe that he loves me and knows all with his almighty powers. He is everyone's father. Jesus is the true Son of God. He is 100% human and 100% God. I believe he died for us to bring about forgiveness of sins and opened the kingdom of heaven for all who wished to be with God. I believe that the Holy Spirit is mystic, immortal, and the spirit of God. He is everywhere, even when you think God is not listening, He truly is waiting patiently at the door. I believe that the Bible is the inspiration for life. It is an instruction on how to live a good life forever. I believe prayer is like a "cell phone" that goes directly to God. He may not always answer the way that we want Him to, but I believe that he always answers our prayers. I believe that Church is necessary to live and that it is like a battery that gives you enough energy every week. Baptism is a sign to show that you give your life to God, and that you are God's to control. I believe that Holy Communion is a sacrament. The bread you eat represents Jesus' body and the wine is his blood. It is Jesus' last dinner with all 12 of his disciples.

I believe that life after death leads to either Hell or Heaven. If you don't believe in Jesus or God then you go to Hell. Heaven is if you believe in God and Jesus and know that all your sins are wrong. I believe that Heaven is God's kingdom.

Colton Bzenas

I AM in the 5th grade and attend Southside Elementary School.

MY FAVORITE BIBLE VERSE is John 18:36 "My kingdom does not belong to this world." I like it because it tells me that heaven is so great that no one on earth can image it.

MY ALL-TIME FAVORITE MEMORY is of my 10th birthday. We went to Islands of Adventure with my family. There were so many cool rides to go on. My favorite one was the Incredible Hulk rollercoaster. It seemed like I waited forever to go there.

IN MY RELATIONSHIP WITH GOD I most want to feel like he's listening. I want God to help me make the right decisions.

ONCE A MEMBER OF THE CHURCH, I HOPE TO MAKE A DIFFERENCE by seeing if more people could come to *Live@theChapel*. Maybe I can play the piano. I could go on more mission trips if there are more. I can help with the Chapel Cleanup (Gardening). I can give some of my money to help people and do God's work. I can keep helping with Sunday School.

THIS IS WHAT I BELIEVE, MY STATEMENT OF FAITH:

I believe that God is a loving, wise God. I believe that God has a sense of humor, but wants us to follow his rules that keep us safe. Jesus is the forgiving son of God. Jesus died for our sins. I believe the Holy Spirit is the helper Jesus promised. The Holy Spirit lives inside people who believe in Jesus.

I believe that the Bible is God's inspired word. The Bible is the story of God and Jesus. The Bible tells us how to live and what will happen at the end of the world. I believe that prayer is talking to God.

I believe that the church is a group of people who believe in God and Jesus getting together to worship God and help other people. Baptism is being washed of your sins and a symbol that you belong to God. I believe the Lord's Supper was Jesus' last meal. We celebrate Communion to remember the Lord's Supper and that Jesus died for us.

When you die you live again in heaven if you believe in Jesus.

Tyler Bzenas

I AM in the 7th grade and attend Brookside Middle School.

MY FAVORITE BIBLE VERSE is

John 11:26 "Whoever lives and believes in me will never die."

It is encouraging know that if you believe in Jesus you will live in heaven forever and not just die.

MY ALL-TIME FAVORITE MEMORY is getting my dog Ginger. After Bo died I was really sad. We went to the pound to look at puppies. We found this one in a litter and we picked her up and fell in love with her. She was really sick, but she got better and now she's a great dog.

IN MY RELATIONSHIP WITH GOD I most want to be able to know how God thinks about things and understand why he does things.

ONCE A MEMBER OF THE CHURCH, I HOPE TO MAKE A DIFFERENCE by helping with the yard work around church. I can give some of my own money into the offering to help people. I am interested in maybe going on some mission trips to help people. I could help with special events.

THIS IS WHAT I BELIEVE, MY STATEMENT OF FAITH:

I believe that a Holy loving God is the creator of heaven and earth. Though, he is loving, God isn't soft. To me God's son Jesus is our caring Savior who died on the cross for us. I believe that the Holy Spirit is with us forever and came after Jesus ascended into heaven and is our helper.

The Bible is God's word. Reading the Bible helps us understand God and Jesus.

When we pray, we are talking to God. You can pray anytime, anywhere and anyplace.

I believe that the church is group of people that believe in Jesus. The church should worship and teach about the Holy Trinity. Members of the church should be unselfish, giving and faithful.

Baptism is a sacrament that symbolizes being cleansed of our sins and belonging to God.

Communion is another sacrament that helps us remember Jesus' last meal with his disciples before he was crucified.

I believe that when you die, if you believe in Jesus and have accepted him truly, you will ascend into heaven.

Cassie Gruber

I AM in the 8th grade and attend Pine View School.

MY FAVORITE BIBLE VERSE is John 3:16, "God so loved the world that he gave his one and only Son, that whoever believes in him shall not perish but have eternal life."

MY ALL-TIME FAVORITE MEMORY is meeting new people through camps and schools.

IN MY RELATIONSHIP WITH GOD I most want to become one with the Lord and to become closer to him.

ONCE A MEMBER OF THE CHURCH, I HOPE TO MAKE A DIFFERENCE by spending more time with the Lord and following his words and become closer to him.

THIS IS WHAT I BELIEVE, MY STATEMENT OF FAITH:

I believe that God is almighty, strong, and smart. I believe that God created the Heaven and Earth and created a path for everyone to follow. He loves everyone with a passion that no one can beat. Jesus is God's loving son whom I believe in. He is our savior who has died on the cross for our sins. I believe in the Holy Spirit. The Holy Spirit is a form of God that comforts us, wants what is best for us, and warms our hearts.

I believe in the Bible. I believe that the Bible contains stories that have happened in the past about Jesus. It provides information about God. The Bible basically inspires the word of God to me.

I believe in praying. Praying is a way where you can communicate to God when you're in need for help or just want to become closer to him. I believe that praying can take place anywhere or anytime because I believe that God is always there.

I believe in the church. Church is a group of people who believe in the Jesus and follows the inspiration of God. I believe the people who attend church should be loving, and people who look out for each other. I believe church, as a building, is a holy place where you can go to worship the Lord and a place where people want to come to meet God.

I believe that Baptism is the beginning of becoming one with the Lord Jesus Christ. I believe that Baptism means belonging to God.

I believe in the Lords Supper. Jesus told his disciples that the bread symbolizes his body and the wine symbolizes his blood. I believe that we copy and remember Jesus by eating bread and drinking the wine like he did. It was the last supper with his disciples.

I believe that when you die the way you can enter heaven is by asking for forgiveness, asking Jesus Christ to be your one and only savior, to ask him to be in your heart, and to follow the path God has provided for us.

Kody Gruber

I AM in the 9th grade and attend Cardinal Mooney High School.

MY FAVORITE BIBLE VERSE is Psalm 1 which begins, “Blessed is the man who does not walk in the counsel of the wicked or stand in the way of sinners or sit in the seat of mockers. But his delight is in the law of the LORD...”

MY ALL-TIME FAVORITE MEMORY is Camp Canada last year

IN MY RELATIONSHIP WITH GOD I most want to A better relationship and to become friends with him.

ONCE A MEMBER OF THE CHURCH, I HOPE TO MAKE A DIFFERENCE by showing others a good time by learning about Christ.

THIS IS WHAT I BELIEVE, MY STATEMENT OF FAITH:

I believe that God the Father is all mighty and powerful. I believe that God is the creator of Heaven and Earth.

I believe that God sent his one and only son down to earth to die on the cross for our sins.

I believe that God has a sense of humor like all of us.

I believe that Jesus died on the cross for our sins. I believe that Jesus was the most loyal and loving guy ever to walk the earth.

I believe that Jesus is God in the flesh.

I believe that the Holy Spirit is God and Jesus in the spirit form.

I believe the Bible is the story of God. I believe that the Bible is the best book ever made.

I believe that prayer is the most important thing you can do to become close to God.

I believe that praying everyday relieves you of all of that builds up inside of you.

I believe that the church is a good place to go and worship God. I believe the church has a warm and comforting community.

I believe that being baptized is a good thing to do. I believe by being baptized you become a new person and all of the sins have washed away.

I believe the Lord's Supper was Jesus' last supper before he died. I believe he shared what was going to happen to him with his disciples.

I believe that life after death is whether you go to heaven and have eternal life or you go to the dead.

Taylor Johnson

I AM in the 6th grade and attend Pine View School.

MY FAVORITE BIBLE VERSE is Matthew 18:20, "For where two or three are gathered together in my name, there am I in the midst of them."

MY ALL-TIME FAVORITE MEMORY is probably when my *Odyssey of the Mind* team got to go to the world competition in Boulder, Colorado.

IN MY RELATIONSHIP WITH GOD I most want to be able to tell him anything and trust that he will help me with my problems. I was taught that if I take God's path then he will help me and take some of the rocks out of my backpack. I understand that I have to do the footwork and take responsibility for my actions.

ONCE A MEMBER OF THE CHURCH, I HOPE TO MAKE A DIFFERENCE by just adding my vote for congregational things and just to help around the church and with activities.

THIS IS WHAT I BELIEVE, MY STATEMENT OF FAITH:

I believe that God the Father is powerful and strong. He cares about us, wants the best for us, and wants to help us. God was the first thing to evolve and is responsible for everything after him. He was the creator of Heaven and Earth. I believe that Jesus is our savior and died on the cross for our sins. He is 100% human and 100% God. He is our God with skin on. Jesus cared deeply about us so he gave his life for us. Jesus wanted not to be a "celebrity" but to walk around as a normal person excluding his healing powers. I believe that the Holy Spirit is a form of God that helps us through hard times. It is a very Holy Spirit. I believe that the Bible is one of the most important books ever written and is very special. People should love and cherish the Bible for it is God and Jesus' story. It is a story that was written for us. I believe that prayer is something that people should want to do. It is a special time to talk to God and Jesus and ask God to forgive us for our sins. Wherever you pray then becomes holy. Not praying is not a sin but prayer fulfills your life and gives you a chance to be closer to God. I believe that the church is a place that teaches and informs you about God, Jesus, and the Holy Spirit. Not only do you learn from the pastor but you can learn from the people around you. Church should be a place people want to go and become a part of. It is the largest giver of money. Church is a "home". I believe that Baptism means you are giving yourself to belong to Jesus. You put him in your life and heart forever. I believe that the Lord's Supper was the last supper Jesus ate with his disciples. It consisted of bread to represent his body and wine to represent his blood. I believe that Life after death means if you believe in God then you will have eternal life and shall never perish. If you believe in him and follow him you shall go to heaven. Everybody should go to heaven. I believe that life has a purpose and death does too. Your belief determines whether you go to heaven or hell.

Chase Lambert

I AM in the 8th grade and attend Brookside Middle School.

MY FAVORITE BIBLE VERSE is John 3:16, "God so loved the world that he gave his one and only Son, that whoever believes in him shall not perish but have eternal life."

MY ALL-TIME FAVORITE MEMORY is going snowboarding for the first time in Breckenridge, Colorado.

IN MY RELATIONSHIP WITH GOD I most want to always trust Him and know He is with me.

ONCE A MEMBER OF THE CHURCH, I HOPE TO MAKE A DIFFERENCE by helping with kids younger than me.

THIS IS WHAT I BELIEVE, MY STATEMENT OF FAITH:

I believe that God is my father in heaven. I believe that He is with me always watching out for me in my everyday life. He doesn't get mad when I mess up from time to time.

I believe that Jesus is God in the flesh. He is a walking Bible. He helps everyone and loves to help people of all shapes and sizes. He died a painful death so we could be free of sins.

I believe that the Holy Spirit is the one who speaks to you and guides you through life.

I believe that the Bible is a guideline on how to be more like God. It is the ancient writings of Jesus' story.

Prayer is the time when you are even closer to God, talking to Him, Thanking Him, or asking for help. I believe He listens and answers your prayers.

Church should be a welcoming place and a place you want to go to. On the days I don't feel like going to church, I try to realize I'm not always going for me, but to worship God.

I believe that after you are baptized, you are cleansed from your sins. It is a way of telling God you are ready to follow Him. When you're baptized as a baby, your parents are letting everybody know they're going to raise you to be a Christian and be part of the church.

The Lord's Supper was the last dinner Jesus ever ate with his disciples and where he discussed what was going to happen. He told the disciples about the bread being his flesh and the wine being his blood.

I believe that if you believe in God you will go to heaven and live in a cloud palace.

Celeste Lyon

I AM in the 7th grade and attend Pine View School.

THIS IS WHAT I BELIEVE, MY STATEMENT OF FAITH:

I believe that God the Father is very powerful. He can create things, and change things. God is wonderful, and I can always talk to him when I'm sad, He's like a diary. If you pray to God for help, He always helps even if it means not doing anything at all. God knows what's right for us. God always has a reason for doing something, and so many people question it!

I believe that Jesus is a giving person. He died bearing all our sins for us. All the pain and cruelty He chose to go through, for us! Jesus incarnated God, he came down for us so we could live better lives. If people heard that Jesus was coming to town they spread around the good news. He taught His followers ways of God and what we should believe, which is our creed now. Jesus didn't want people to know He was powerful and could heal, He didn't want attention! Jesus was and still is a miracle!

I believe that the Holy Spirit works inside us. The Holy Spirit is the form of Jesus in our blood. The Holy Spirit is part of the Trinity. When Jesus died he told his disciples that he would send his spirit to live in them and work in their bodies. The Holy Spirit first came at Pentecost, a day which we remember the Holy Spirit. Without the Holy Spirit in us, Jesus would not be in our lives!

I believe the Bible is the Christian dictionary. The Bible tells us about God and Jesus. It explains most the stories that tell us about creation and sins. If we wonder why it is wrong to steal, look it up in the Bible!

I believe prayer is when you talk to God. When I pray, I open my heart and spill out the problems to God; I also just talk to him. There are many types of prayers, hoping someone is safe, giving thanks, confessing your sins, and just talking to God!

I believe church is when a group of people get together and believe in Jesus. There is also church which is a building. This building is God's home because you praise God and talk about him. When I say praise I don't mean on your hands and knees bowing, I mean thanking him for what he's done in our lives. Church isn't always just singing and preaching, people have fun too!

I believe that baptism is giving your life to God. You let God be your leader. Not exactly like he makes your every move for you, but guides your way and helps you make the right choices, not that you always do! Baptism is for all ages; a grown adult who decides to have God in their life can get baptized too. Jesus was baptized when he was an adult even though he was already in God's life. The water which the Minister uses, is a symbol of cleansing your body from sin.

I believe that the Lord's Supper is important. It was the last meal Jesus ate the night he was captured. In the Lord's Supper we eat bread to remind us of how Jesus' body was broken. The wine reminds us of the blood he gave for us.

I believe that life after death is a new experience. If you ask for Jesus to be in your life and take your sins then you will go to heaven. If Jesus hasn't taken your sins because you think you can handle life on your own, you're going to go to hell. People who are in heaven have received grace, they have no sins because of Jesus, and they didn't work so they could have sins taken away! In heaven you live forever with God.

Patrick McKee Murphy

I AM in the 7th grade and attend Sarasota Christian School.

MY FAVORITE BIBLE VERSE is Psalms 68:35, "You are awesome, O God, in your sanctuary; the God of Israel gives power and strength to his people. Praise be to God!"

MY ALL-TIME FAVORITE MEMORY is once being in a car and talking with my Daddy for 2 hours.

IN MY RELATIONSHIP WITH GOD I most want to bring others closer to God.

ONCE A MEMBER OF THE CHURCH, I HOPE TO MAKE A DIFFERENCE by making more modern decisions.

THIS IS WHAT I BELIEVE, MY STATEMENT OF FAITH:

I believe God the Father is my father and your father and the father of all of us. I believe he is humorous and merciful beyond all thought. I believe that Jesus is the Christ and savior. I believe he was crucified and died for all or your sins and my sins.

I believe that the Holy Spirit is God all around us and within us helping us when we stray from the flock. I believe that the Holy Spirit conceived the Christ our Savior in the womb of the Virgin Mary.

I believe that the Bible is like a road map for all of God's children whether you choose to read it for directions or be stubborn and say to your self "I can figure it out by myself." Even when you know you can't.

I believe prayer is a way we can talk with God and give him our 411. I believe prayer leads to worship, which is the ultimate way we glorify God.

I believe that church is more of a time than a place. When Christians go to glorify God and if other Christians go that's cool too.

I believe baptism is like getting married into God's family. Also it is a way to wash our slate clean from sin.

I believe that the Lord's Supper is Jesus' last supper where he told us to eat bread and wine on Communion. He said that the bread symbolizes his body and that the wine symbolizes his blood.

I believe that life after death for a Christian is a wondrous thing where we will have the best food, music and the greatest people you could imagine.

Andrew Rossi

I AM in the 6th grade and attend Brookside Middle School.

MY FAVORITE BIBLE VERSE is Joshua 24:15, "If serving the LORD seems undesirable to you, then choose for yourselves this day whom you will serve, whether the Gods your forefathers served beyond the River, or the Gods of the Amorites, in whose land you are living. But as for me and my household, we will serve the LORD."

MY ALL-TIME FAVORITE MEMORY is when I went to Sea World.

IN MY RELATIONSHIP WITH GOD I most want a loving relationship.

ONCE A MEMBER OF THE CHURCH, I HOPE TO MAKE A DIFFERENCE by helping the younger kids understand how Jesus taught his people to spread his word.

THIS IS WHAT I BELIEVE, MY STATEMENT OF FAITH:

God the Father... I believe that God the Father will forgive all, but to get his love we must be forgiving, like God is. By Believing in God the Father we will succeed in life, but we must also act, in kindness like God.

Holy Spirit... The Holy Spirit is God along with the Father & Jesus. He guides us, he is our teacher, & our leader. The Holy Spirit watches over us & reminds us of his goodness.

Bible... I believe the Bible is the stories of God and how he showed forgiveness for all. I believe the Bible is a book full of the word of God.

Prayer... I believe by praying God forgives our sins, because he is willing to forgive. By praying we can help the unlucky and make our self a nicer person.

Church... I believe that the church is a way to pray to God and worship God. I believe that the church is the place that God forgives our sins.

Baptism... I believe Baptism is for people that believe in God. I believe Baptism is the anointing of water where children & adults become part of God's family.

Lord's Supper... I believe that the Lord's Supper is the way to have your communion, in remembrance of him. The Lord's Supper is a time when God celebrates his love and forgiveness with you.

Life after death... If we truly believe in God then we will be able to live on with him. If we truly believe in God than death is not the end of life.

Victoria Shea

I AM in the 6th grade and attend Pine View School.

MY FAVORITE BIBLE VERSE is Matthew 5:12, "Rejoice and be glad, because great is your reward in heaven..."

MY ALL-TIME FAVORITE MEMORY is going to *Southwind* (Young Life camp in Ocklawaha, Florida).

IN MY RELATIONSHIP WITH GOD I most want to learn about the Bible.

ONCE A MEMBER OF THE CHURCH, I HOPE TO MAKE A DIFFERENCE by helping others in need.

THIS IS WHAT I BELIEVE, MY STATEMENT OF FAITH:

In these 10 weeks of confirmation class I have learned so much. I have learned how important it is to help people in need because when we went to the food bank we made boxes for hurricane victims. It felt really good to know that we made a difference. Confirmation class helped me figure out what I believe in.

I believe that **God** created the Heavens and the Earth.

I believe that **Jesus** is God in the form of a human. Jesus died on the cross to forgive our sins.

The **Holy Spirit** is a form of God within all of us.

I believe that **The Bible** is a book about life before and after Jesus.

I believe **Prayer** is when you are talking to God. When you pray, the place that you pray becomes holy.

I believe that **The Church** is a place where people who believe in God come together to pray and worship God and Jesus.

I believe that when you are **Baptized** you belong to God and you are free of your sins.

I believe that the **Lord=s Supper** is the last dinner that Jesus had before he was crucified. We still have the Lord=s Supper to remember that Jesus died for us to forgive our sins.

To me **Life After Death** means that if you believe in God and ask him for forgiveness then you will go to heaven and have eternal life.

The Apostle's Creed

A Statement of Faith for All Ages

I believe in God, the Father almighty,
creator of heaven and earth.

I believe in Jesus Christ, God's only Son, our Lord,
who was conceived by the the Holy Spirit,
born of the Virgin Mary,
suffered under Pontius Pilate,
was crucified, died, and was buried;
he descended to the dead.

On the third day he rose again;
he ascended into heaven,
he is seated at the right hand of the Father,
and he will come to judge the living and the dead.

I believe in the Holy Spirit,
the holy catholic Church,
the communion of saints,
the forgiveness of sins,
the resurrection of the body,
and the life everlasting. Amen.
