## **Beach Bash** Sunday June 29, 4-7 p.m

Meet in the Chapel's sanctuary for energizers and mixers then... move on down to the beach for barbeque, swimming and games.

**Middle School** group meets with Pastor Kathi the following **SUN**days following worship. Why Sunday? *Live@theChapel* is on 'break' until the week after Labor Day.

**Sunday July 6.** Bring your ideas for our movie!!! For those who haven't been with us... yes, we're making a movie! Thus far we have bullies, a suicide (aaaugh!!), an out-of-body encounter with God and a chance to "go back". Whew. **Our next step** is to decide *how* to develop God's appearance, character and dialogue. I'll bring some movie clips that represent God in different ways along with some cool Bible stories and... we'll see where we land.

Follow up meetings are on July 27, August 3 and 17. We have to talk about when we want to meet -- and how often -- after Labor Day. Please mark your calendars with all these dates -- and pull in friends.

## **Senior High** group meets "the new guy"... Sunday July 27

John is coming from *San Francisco Theological Seminary* and will spend a year at the Chapel as a Pastoral Intern. He has a strong background in youth work and loves it! He'll arrive in town the week of July 21, and I'd love to introduce him to everyone the following Sunday -- July 27. Let's meet after worship for... foood and conversation. Please make every effort to join us. Thanks!  
*Pastor Kathi*
